Is Your Workplace Safe?

Did you know that 30.4 million working days were lost due to work-related illnesses and workplace injury in 2015/16?

The **QA Level 3 Award in Health and Safety in the Workplace (RQF)** is a regulated and nationally recognised qualification designed to provide candidates with a more advanced understanding of health and safety.

Ideal for those who work, or intend to work at a supervisory or management level, this 3 day course covers a range of health and safety topics, including: workplace legal requirements, the benefits of using a health and safety system, principles of risk assessment and the risks and control methods for common workplace hazards.

Successful candidates will leave with a greater understanding of health and safety in the workplace, enabling them to help maintain a safer working environment.
